The Secretary-General of the International Maritime Organization has the honour to state that the Kingdom of Saudi Arabia has accepted the amendments to the International Convention for Safe Containers, 1972, adopted in accordance with article IX, paragraph 2(b) of the Convention by the Assembly of the International Maritime Organization, by resolution A.737(18) of 4 November 1993 and transmitted to Contracting Governments for acceptance by Note Verbale A1/N/1.06 (NV.7) dated 24 January 1994.

The 1993 amendments to CSC 1972 adopted by resolution.737(18) are not yet in force, however, these amendments were incorporated into CSC 1972 as a new set of amendments to the annex to the Convention by resolution MSC.355(92), adopted by the Maritime Safety Committee at its ninety-second session on 21 June 2013. The 2013 amendments, which have the same effect as the 1993 amendments, entered into force on 1 July 2014 under the tacit acceptance procedure and are binding for all States Parties to the Convention.
