

CONSIDERING that the early adoption of a uniform code for classifying, packaging, handling and labelling of dangerous and hazardous goods applicable to all modes of transport would assist in the provision of safety and facilitation within the transportation industry,

URGES States, Members of the Organization, to accord full support to and co-operation in the fostering and adoption of a single internationally approved system for identifying, classifying and labelling of dangerous or hazardous cargo which would be applicable to all modes of transport.

RESOLUTION A.300(VIII)

*Adopted on 23 November 1973
Agenda item 20*

PRESENTATION OF THE FINAL ACCOUNTS AND AUDIT REPORT FOR THE SIXTH FINANCIAL PERIOD

THE ASSEMBLY,

RECALLING that Article XII.12.8 of the Financial Regulations provides for approval by the Assembly of the final accounts and audit report for each financial period,

NOTING the Secretary-General's presentation of the accounts for the financial period ended 31 December 1971 and the External Auditor's Report thereon,

NOTING particularly the External Auditor's certification that, in his opinion, these financial statements are correct,

APPROVES the final accounts and audit report for the financial period ended 31 December 1971.

RESOLUTION A.301(VIII)

*Adopted on 23 November 1973
Agenda item 21*

AMENDMENTS TO THE FINANCIAL REGULATIONS

THE ASSEMBLY,

HAVING CONSIDERED the proposed amendments to Articles III.3.6 and IV.4.1 of the Financial Regulations, and the revised text of the proposed standard financial regulations relating to external audit,

NOTING the concurrence of the External Auditor,
